

Alameda Open Space Parking Lot Improvements

- Bernalillo County and the City of Albuquerque are collaborating on improvements to this Open Space facility as part of improvements to the adjacent Bachechi Open Space (Sept. 2010 – Sept. 2011).
- Parking lot improvements include expansion to the east for equestrian dedicated parking, paving the southern portion, minimal landscaping, and parking lot striping.
- Wetland expansion and the construction of wildlife viewing blinds will occur.
- The contractor and project managers will post information as to the timing of work affecting Alameda Open Space at this location and at www.bernco.gov/openspace.

You may also call Bernalillo County Parks and Recreation Department at 314-0400 to speak with the Design Project Manager.
